## 2018 Honoree

Tom Emde

Tom Emde has worked for 25 years as a commercial sales representative for Sherwin Williams. Tom has been married to his wonderful wife, Jill for 24 years. Their son, Gavin, was a student at NIS from 2014-2016. Tom has been part of the NIS golf committee for four years. Tom and Jill are very active volunteers and fundraisers for NIS. Tom always felt as though NIS provided him with a community feel that he wanted to be part of and he is forever grateful for the foundation that NIS provided to Gavin. We are thrilled to honor Tom and all of his hard work helping NIS to provide therapeutic and educational services and programs to children and their families at NIS.

## Our Story

The New Interdisciplinary School was founded in December 1976 by parents, community members and staff who believed in the rights of:

- Children to grow and learn in a supportive, responsive environment.
- Parents to have a voice in their children's education.
- Staff to flourish in an atmosphere of academic and intellectual freedom.

In July 1977 NIS received New York State Education approval as a program for the education of preschool children with disabilities from birth to 5 years of age. On August 1, 1977, NIS officially opened its doors at 1 Scouting Boulevard, Medford.

The name "New Interdisciplinary School" was chosen to describe the integration of a team of professionals from a variety of disciplines. This team approach along with a partnership with parents forms the basis for providing a comprehensive program.

On October 19, 1995, we opened a state-of-the-art building in Yaphank. The programs have expanded to include child care, nursery school, universal pre-kindergarten (UPK), and inclusion classes for children with and without disabilities.
